So we can identify new and existing members interests and volunteering opportunities, we would appreciate you taking the time to complete the following questions that will help us with events, campaigns and projects.

The WCS is ran by volunteers from executives, committee and members with special privileges who give their time willingly and selflessly to represent the people of Worcester by advocating for the protection of historical buildings, green spaces, ancient monuments and the overall character of our neighbourhoods. We serve as custodians of local identity ensuring that future generations can enjoy the same sense of place and connection to their heritage.

In order to achieve our aims and stay connected with our members, it would be extremely helpful to know what you are interested in and if you are also interested in volunteering in any capacity. Tick as many options below as appropriate:
